10. TRANSFER OF PERSONAL DATA DOMESTICALLY AND ABROAD

Your personal data may be transferred;

- In order to improve our company's productivity and employment policies, and to ensure sustainability, we may sometimes provide services to third parties,
- Banks, third parties, occupational health and safety specialists, occupational physicians and health personnel in order to fulfill the obligations of the employer under the employment contract,
- to Microsoft Office applications, cloud solutions, SAP applications and backup systems whose databases are located abroad in order to administer and manage the business within the company, to carry out company business, to implement company policies, and to manage and execute the workflow efficiently,
- Within the scope of the realization of the commercial and other activities of the Company, it has been checked that the Company has taken the technical and administrative security measures required by the legislation and sector practices, and the commitments regarding this issue have been arranged between the parties to the external service providers,
- In addition, in order to provide products and services, to Er-Kim İlaç regional directorates, our business partners, suppliers, third parties from whom services are received within the framework of Company activities and/or abroad.

- Your personal data may be shared with execution offices or courts (at all levels and levels), as well as Ministries, Directorates, Social Security Institution and other persons upon request or when necessary in line with our legal obligations.

11. DESTRUCTION OF PERSONAL DATA

Personal data processed within the framework of our Company's activities are stored within the framework of the purpose of processing and for the periods necessary to ensure this purpose and for the retention period stipulated within the framework of the relevant legislation.

Data that has lost its function, whose retention period has expired, and which is requested to be destroyed by the data owner, if possible within the framework of the legislation, is destroyed by using the appropriate method of deletion, destruction or anonymization of personal data listed in Article 7 of the KVKK.

Deletion of personal data is the process of making personal data inaccessible and non-reusable in any way for the relevant users.

Destruction of personal data is the process of making personal data inaccessible, unrecoverable and unusable by anyone in any way.

Anonymization of personal data means making personal data impossible to be associated with an identified or identifiable natural person under any circumstances, even if the personal data is matched with other data.

12. RIGHTS OF THE PERSONAL DATA SUBJECT

Regarding the personal data processed within the scope of our Company's activities, the data owner may apply to our Company within the framework of your rights listed in Article 11 of the KVKK;

- a. Learn whether their personal data is being processed,
- b. Request information if their personal data has been processed,
- c. To learn the purpose of processing personal data and whether they are used for their intended purpose,
- d. To know the third parties to whom personal data are transferred domestically or abroad,
- e. To request correction of personal data in case of incomplete or incorrect processing,
- f. To request the deletion or destruction of personal data within the framework of the conditions stipulated in Article 7 of the KVKK,
- g. To request notification of the transactions made pursuant to subparagraphs (d) and (e) to third parties to whom personal data are transferred,
- h. To object to the emergence of a result to the detriment of the person himself/herself by analyzing the processed data exclusively through automated systems,

- i. In case of damage due to unlawful processing of personal data, it has the right to demand compensation for the damage.

13. APPLICATION TO THE DATA CONTROLLER

In the event that you exercise your above-mentioned rights and make an application to our Company regarding the above-mentioned issues, your requests in your application will be finalized free of charge within thirty (30) business days at the latest, depending on the nature of the request. However, if the transaction requires an additional cost for the Company, the fee in the tariff determined by the Personal Data Protection Board may be requested.

In matters related to the processing of your personal data, you must submit your application to our Company by filling out and signing the application form on the Company's website and proving your identity in person.
